1 Sandgate Ambulance Station

\$9 million in 2023-24 out of a \$11 million total spend to relocate and replace the existing station. The project will deliver a modern functional and fit-for-purpose ambulance station that will maximise operational efficiencies to ensure that the Queensland Ambulance Service is able to support current and future demands for ambulance services to the community. It is expected 35 jobs will be supported during construction of the project.

3 Visy recycling facility upgrade

\$4.8 million in 2023-24 out of a \$16 million total spend for Visy Industries to upgrade its recycling facility at Gibson Island, Brisbane. The works include a new state-of-the-art paper optical sorting plant that will be able to turn mixed paper, picked up in kerbside collections, into 100 per cent recycled paper, reducing landfill waste. The upgrades to the Gibson Island facility will also create 11 new jobs. Part of the Queensland Jobs Fund.

5 Redland Hospital

\$45.1 million in 2023-24 out of a \$137.1 million total spend for delivery of a range of enhancements to the Redland Hospital site, including the \$62 million Redland Hospital Expansion - Stage 1 and the \$25 million 28-bed ward project. The Stage 1 expansion will deliver 37 additional beds, a new Intensive Care Unit on site and an estimated 174 new jobs at Redland Hospital. Funding will also support the construction of a new 7-storey carpark. The Stage 1 Expansion is jointly funded by the Queensland Government (\$32 million) and the Australian Government (\$30 million). The 28-bed ward project is part of the Accelerated Infrastructure Delivery Program.

2 The Prince Charles Hospital

\$67.6 million in 2023-24 out of a \$387.6 million total spend for a range of enhancements at The Prince Charles Hospital site, including a new clinical services building comprising of an emergency department, acute inpatient units and support services, and a new multi-storey carpark. It includes the \$300 million Prince Charles Hospital Expansion project, which will deliver an additional 93 beds. The project is expected to support over 720 construction jobs. Completion is expected in the second half of 2027. Part of the Capacity Expansion Program.

4 New performing arts venue at the Queensland Performing Arts Centre

\$44.1 million in 2023-24 out of a \$175 million total spend to build the new performing arts venue at the Queensland Performing Arts Centre, delivered in partnership with the Queensland Performing Arts Trust. Construction of the new theatre will deliver a 1,500 seat state-of-the-art facility to meet growing audience and tourism demand and is a significant investment in the next generation of Queensland's storytellers and creative talent. When fully operational, the theatre has the potential to welcome an additional 300,000 visitors per year.

6 Redlands Satellite Hospital

\$78.9 million in 2023-24 out of a \$376.9 million total program spend to deliver 7 satellite hospitals, that will each include a Minor Injury and Illness Clinic. The Redlands Satellite Hospital will take pressure off the Redland Hospital's emergency department, and various specialty outpatients services, including neurology, cardiology, older persons care, wound care, musculoskeletal, allied health and mental health services. This provides care closer to home in a significant growth corridor. It will also provide in excess of 100 jobs for staff once the facility is operational.

Supporting domestic violence victim-survivors in Redlands

The Redlands will soon be home to a new Domestic and Family Violence High Risk Team tasked with strengthening the government's response to serious cases of violence and better protecting Queenslanders most at risk across the region. The new team will commence operations in early 2024, with funding support from the Queensland Government.

High Risk Teams provide highly coordinated, holistic and culturally appropriate safety responses to vulnerable Queenslanders at high risk of serious harm or lethality. The teams will be led by domestic and family violence specialist services working with multi-agency teams.

The Redlands team is joining an established Queensland network of 9 High Risk Teams currently operating in Mount Isa, Cairns, Mackay, Caboolture, Brisbane, Ipswich, Logan, South Burnett and Townsville.

Good jobs. Better services. Great lifestyle.

More jobs in more industries

Good, secure jobs in our traditional and emerging industries

Queensland is building on its advantages in traditional and emerging industries that support good, secure jobs. The Queensland Government's economic strategy will help Queensland businesses to take advantage of these opportunities and grow the economy.

Better services

Deliver even better services right across Queensland

A growing economy will allow the government to deliver better services across the state, including in education, justice and social services. High-quality services improve the lives of Queenslanders and help everyone to participate fully in our economy and our community.

Protecting Queenslanders' lifestyle

Protect and enhance our Queensland lifestyle as we grow

Our great Queensland lifestyle will be protected while the economy grows. The Queensland Government is investing in crucial infrastructure to support our growing population, reducing cost-of-living pressures and taking care of our natural environment.
