1 Ipswich Hospital

\$38 million in 2023-24 out of a \$827.7 million total spend for the expansion and improvement of facilities at the Ipswich Hospital site, including a new mental health facility and a magnetic resonance imaging (MRI) suite. This also includes the \$710 million Ipswich Hospital Stage 2 Expansion which will deliver an additional 200 beds as well as a new purpose-built acute clinical service building, a new Emergency Department, 6 additional operating theatres, a satellite medical imaging service and a new Central Sterilisation Service Department. Stage 2 is expected to support 1,700 construction jobs. Part of the Capacity Expansion Project.

3 Rosewood replacement police facility

\$2.2 million in 2023-24 out of a \$4 million total spend to continue the replacement police facility at Rosewood. The replacement facility will provide a modern facility to support frontline policing at the local level and allows sufficient space for future growth. This facility will support frontline policing services to deliver safe and secure communities and build a safer Queensland. The project will support 12 jobs.

5 Ripley Satellite Hospital

\$78.9 million in 2023-24 out of a \$376.9 million total program spend to deliver 7 satellite hospitals, that will each include a Minor Injury and Illness Clinic. The Ripley Satellite Hospital will provide walk-in urgent care 7 days a week from 8am and will accept patients until 10pm. It will also include oral health services, BreastScreen services, mental health specialists and medical imaging and diagnostic services (including ultrasound, X-ray and pathology). This provides care closer to home in a significant growth corridor. It will also provide in excess of 100 jobs for staff once the facility is operational.

2 New primary school in Bellbird Park

\$52.6 million in 2023-24 out of a \$77.7 million total spend to construct a new primary school in Bellbird Park. Opening in 2024, Stage 1 of this new school will provide for a much-needed increase in capacity in the local schooling network. The project is supporting an average of 57 jobs across 4 years from 2021-22 to 2024-25.

4 Swanbank Battery Storage

\$41.5 million in 2023-24 out of a \$424.7 million total investment to install a large-scale battery at the Swanbank Precinct near Ipswich. With capacity of up to 250 megawatts (500 megawatt hours), the battery will leverage existing electricity infrastructure, promote grid reliability and improve renewable energy integration. This project will support around 60 construction jobs and up to 10 jobs once operational. Part of the Queensland Renewable Energy and Hydrogen Jobs Fund.

6 Mount Alford Rural Fire Brigade Station

\$700,000 in 2023-24 to complete the Mount Alford Rural Fire Brigade Station which will enable contemporary frontline rural fire service delivery to the Mount Alford community. The rural fire brigade station will be of direct benefit to the community by providing a venue for the Mount Alford brigades to safely accommodate and maintain assets as well as support the brigade and area training activities. Additionally, the construction will support 2 local jobs.

Frucor Suntory

International drinks giant Frucor Suntory to call Ipswich home

International beverage manufacturer Frucor Suntory is establishing a new \$400 million beverage manufacturing facility in Swanbank with support from the Queensland Government's Invested in Queensland program.

Part of the Japanese Suntory Group, Frucor Suntory is considered a market leader, particularly in the energy drinks category, and has a wide variety of beverages and brands in its portfolio. Once complete, the facility will have the immediate capability to produce up to 20 million cases of drinks each year, with the ability to be significantly scaled up in the future.

The facility will include beverage processing, packaging, warehousing and distribution, strengthening the company's ability to service its customers and the growing Australian market. The project will create approximately 450 construction and installation jobs, and once operational will support 160 long-term roles.

Good jobs. Better services. Great lifestyle.

More jobs in more industries

Good, secure jobs in our traditional and emerging industries

Queensland is building on its advantages in traditional and emerging industries that support good, secure jobs. The Queensland Government's economic strategy will help Queensland businesses to take advantage of these opportunities and grow the economy.

Better services

Deliver even better services right across Queensland

A growing economy will allow the government to deliver better services across the state, including in education, justice and social services. High-quality services improve the lives of Queenslanders and help everyone to participate fully in our economy and our community.

Protecting Queenslanders' lifestyle

Protect and enhance our Queensland lifestyle as we grow

Our great Queensland lifestyle will be protected while the economy grows. The Queensland Government is investing in crucial infrastructure to support our growing population, reducing cost-of-living pressures and taking care of our natural environment.
