## 1 Pacific Motorway, Eight Mile Plains to Daisy Hill upgrade

\$105 million in 2024-25 out of a \$750 million total spend towards upgrading the Pacific Motorway between Eight Mile Plains and Daisy Hill. The project will increase capacity and reduce congestion by widening up to five northbound lanes from the Gateway Motorway to Watland Street and widening up to four southbound lanes between Rochedale Road and Logan Road. This investment will provide improved road access, better active transport and more access to public transport. Delivered in partnership with the Australian Government.

## 3 Greenbank Battery

\$131.4 million in 2024-25 out of a \$325.4 million total spend for a 200-megawatt, two-hour battery located in Greenbank. This battery will store enough wind and solar during the day to power 60,000 homes for two hours during peak periods. Construction is already underway. The battery will also help to support the strength and security of the electricity system, including as part of a partnership with Powerlink Queensland to locate the battery at Powerlink's Greenbank Substation. Part of the Queensland Energy and Jobs Plan.

## 5 Prison Capacity Uplift - Palen Creek Correctional Centre

\$10 million in 2024-25 out of a \$27.2 million total spend to construct additional prison capacity at Palen Creek Correctional Centre to sustainably manage a growing prisoner population. The government's investment in Palen Creek Correctional Centre includes an additional 64 beds to be delivered by mid-2026 and ancillary infrastructure such as program rooms and office space. The project will assist prisoners develop increased levels of self-responsibility, opportunities to participate in education, work, vocational training and programs and is a step towards rehabilitation and a graduated release back into the community.

## 2 Logan Hospital Expansion Stage 2

\$80 million in 2024-25 out of a \$530 million total spend to deliver the Logan Hospital Stage 2 Expansion Project, providing an additional 112 overnight beds and a range of other clinical and support services. Other project benefits include enhanced local access to health services by the community, a focus on acute care and interventional services, reduction in patient transfers to Princess Alexandra Hospital, enabling new models of care that are better aligned with the changing needs of the community, enhanced patient flow, safety, outcomes and efficiency, as well as addressing the critical need to replace ageing infrastructure. Part of the Capacity Expansion Program.

## 4 Flinders Lakes Drive, Greater Flagstone

\$42 million in 2024-25 out of a \$50 million total spend to bring forward delivery of infrastructure targeting the Greater Flagstone Priority Development Area (PDA), critical to unlocking its south-west development precinct. This infrastructure will provide a continuation of Teviot Road and link future developments to the existing sub-regional road network. Construction of Flinders Lakes Drive and Water Main is anticipated to facilitate 7,286 lots in the south-west precinct of the PDA by 2051. The south-west precinct is planned to deliver \$683.5 million in residential civil construction and \$2.01 billion in residential housing construction, generating 486 direct and indirect construction jobs by 2051. Part of the Catalyst Infrastructure Fund, delivered in partnership with the private sector.

## 6 Social housing

\$53.6 million in 2024-25 to expand and improve social housing. Social housing provides safe, secure, and sustainable homes to some of the most vulnerable people in Queensland. The Queensland Government has set a social housing delivery target of 53,500 homes by 2046 as part of Homes for Queenslanders. Investment into new social housing will help to address demand as the state grows, reduce pressure on homelessness services, and provide more housing choices for individuals and families. Delivered in partnership with the Australian Government.

## Delivering social housing for Logan

Logan residents will benefit from a boost in social housing, thanks to the Queensland Government's decision to purchase the former Tanah Merah retirement village to provide 124 secure and affordable homes for Queenslanders experiencing housing pressures. This is the government's largest purchase of vacant retirement accommodation for social housing. The facility includes a mix of one and two-bedroom units designed for independent living. They will undergo minor upgrades before welcoming new residents later this year. A community housing provider will be appointed to provide onsite support to residents.

The purchase of Tanah Merah village was funded through the Queensland Government's Housing Investment Fund. The government is continuing to identify and purchase former retirement villages and aged care facilities and other commercial properties for conversion to social housing as part of the Homes for Queenslanders plan.
